

Fashion PLM  
Release Notes  
Version 3.7.1

## **Important Notices**

The material contained in this publication (including any supplementary information) constitutes and contains confidential and proprietary information of Infor.

By gaining access to the attached, you acknowledge and agree that the material (including any modification, translation or adaptation of the material) and all copyright, trade secrets and all other right, title and interest therein, are the sole property of Infor and that you shall not gain right, title or interest in the material (including any modification, translation or adaptation of the material) by virtue of your review thereof other than the non-exclusive right to use the material solely in connection with and the furtherance of your license and use of software made available to your company from Infor pursuant to a separate agreement, the terms of which separate agreement shall govern your use of this material and all supplemental related materials ("Purpose").

In addition, by accessing the enclosed material, you acknowledge and agree that you are required to maintain such material in strict confidence and that your use of such material is limited to the Purpose described above. Although Infor has taken due care to ensure that the material included in this publication is accurate and complete, Infor cannot warrant that the information contained in this publication is complete, does not contain typographical or other errors, or will meet your specific requirements. As such, Infor does not assume and hereby disclaims all liability, consequential or otherwise, for any loss or damage to any person or entity which is caused by or relates to errors or omissions in this publication (including any supplementary information), whether such errors or omissions result from negligence, accident or any other cause.

Without limitation, U.S. export control laws and other applicable export and import laws govern your use of this material and you will neither export or re-export, directly or indirectly, this material nor any related materials or supplemental information in violation of such laws, or use such materials for any purpose prohibited by such laws.

## **Trademark Acknowledgements**

### **Legal Notices**

This content is supplied by Lawson under the customer license agreement as Documentation describing the functions, features and specifications of the Lawson Software licensed under that agreement. This content pertains only to the respective release or version of the Software referenced in this content, and may be changed or superseded by subsequent Documentation.

This content may contain information about several different Lawson products that are licensed separately by product name under a Lawson Product Order Form (POF). Customers must have a POF showing the license of a specific product (by product name) before that customer may install, test and use that specific Lawson product. If you do not have a POF for a product that is described in these materials: (1) you may not install, test or use that product and (2) Lawson provides no license, warranties or maintenance for that product. Contact your Lawson Account Executive if you are unclear about your licensing restrictions.

**Export Notice:** Pursuant to your agreement with Lawson, you are required (at your own expense) to comply with all laws, rules, regulations, and lawful orders of any governmental body that apply to you and the products, services or information provided to you by Lawson. This obligation includes, without limitation, compliance with the U.S. Foreign Corrupt Practices Act (which prohibits certain payments to governmental officials and political parties), U.S. export control regulations, and U.S. regulations of international boycotts. Without limiting the foregoing, you may not use, distribute or export the products, services or information provided to you by Lawson except as permitted by your agreement with Lawson and any applicable laws, rules, regulations or orders. Non-compliance with any such law, rule, regulation or order shall constitute a material breach of your agreement with Lawson.

**Intellectual Property:** All brand or product names mentioned herein are trademarks or registered trademarks of Lawson, or the respective trademark owners. This documentation is the proprietary information of Lawson protected internationally under copyright and related intellectual property laws. Lawson customers or authorized Lawson business partners may use, copy, or transmit this document for their internal use only. Any other use or transmission requires advance written approval of Lawson.

# Fashion PLM 3.7.1

## Release Notes

---

This document describes features and enhancements included in Fashion PLM 3.7.1. These new features and enhancements are organized under the following headings:

- Fashion PLM 3.7.1 Release Notes..... 3**
  - Where to Look for Information ..... 4**
    - Where to Look for Documentation..... 4
    - Lawson Knowledge Base Articles ..... 4
    - Documentation Updates ..... 4
  - General Information..... 5**
    - Scope of this Release..... 5
    - Restrictions ..... 5
    - Upgrade Paths..... 5
  - Availability Overview ..... 6**
    - Language Availability..... 6
  - Compatibility ..... 7**
    - Required Software Components ..... 7
    - Related Software Components ..... 7
  - Feature Change..... 8**
    - Additional fields added/displayed ..... 8
    - Additional digits for Fabric & Trim IDs ..... 8

## Where to Look for Information

---

Throughout these release notes, references to specific documents and Lawson Knowledge Base articles will be given to help you locate more detailed information.

### Where to Look for Documentation

Installation guides, release notes, and reference documentation are available on [MyLawson.com](http://mylawson.com).

- To access documentation from the Product Downloads page, navigate to My Product, and then select Products Available for Download. You will find documentation posted on the product records.
- To search for documentation from the Knowledge Base or Product Documentation page, navigate to My Support.

For questions or feedback, email [documentation@lawson.com](mailto:documentation@lawson.com).

### Lawson Knowledge Base Articles

The Lawson Knowledge Base provides a one-stop resource for product documentation, release information, file layouts, data file and technical text, support notes, troubleshooting aids, and patches.

The Lawson Knowledge Base is regularly updated and it is available at <http://mylawson.com>. To get started using the Knowledge Base; search for the article *Lawson Knowledge Base FAQs (Frequently Asked Questions)*.

### Documentation Updates

The following updates to documentation are included with this release.

Document Name	Description
Fashion PLM Release Notes	This document

# General Information

---

## Scope of this Release

Fashion PLM 3.7.1 is a service pack supplying corrections. It replaces all earlier versions of the product.

## Restrictions

The customers must not change the compatibility level of PLM's database. It must be set to "SQL Server 2000 (80)" by default.

## Upgrade Paths

The service pack is a full installation and can update any previous Fashion PLM installation.

# Availability Overview

---

## Language Availability

Online help and documents are all in US English. Languages below only refer to software integrated text on panels. For contracting details on languages, please refer to license agreement.
